## **An increase to your membership subscription**

New Zealand Bridge has advised that there will be an increase in the player affiliation fee in 2025 and an additional increase in 2026. This is the first increase in the New Zealand Bridge player levy since 2014.

The player affiliation fee (or levy) is charged every 3 months for players who have North Shore Bridge registered as their Home Club.

To accommodate this increase in the levy, the annual subscription for a Full Member (NSBC is their Home Club) will increase from \$80.00 to \$90.00 inc. GST from 1 July 2024.

While an Associate membership does not attract the NZB affiliation fee, the cost for an Associate annual subscription will be increased from \$60.00 to \$65.00 inc. GST on 1 July 2024.

Included in the increased subscription charges is a small uplift for the Club: \$4.00 in the case of Full members, \$5.00 for Associates. This will help offset the increased rates and insurance charges for the building,

Invoices for next year's subscriptions will be sent out early in July for the next financial year, 01 July 2024 – 30 June 2025. Compa\$\$ accounts will be debited with the subscription amount at that time.

Under the terms of the Constitution of North Shore Bridge Club Inc., members must be given at least one month's notice of any increase in subscriptions, hence this notification.
